President's Message

Another Election Complete

At the Annual Homeowners Association meeting in February, three new Board of Directors members were elected and the new Board of Directors officers were decided. The 2017-2018 budget was also approved. You will find a photo of the 2017-2018 Board of Directors and a listing of the officers in this month's newsletter. I want to thank Milda Kolesar and Judy Miller for their time and talents given to the HOA BOD these past years. They deserve applause and time to rest now that they have ended their terms on the BOD.

I thank all of the HOA members who took the time and made the effort to attend the meeting. Thanks also goes to those who: checked attendees in, ran for office, distributed ballots, counted ballots, served ice cream sundaes, sold tickets, and distributed updated By-laws and Standing Rules. Many thanks to all who were so patient with the process.

We will have the Annual Yard Sale in March as Ginger Pace and Joan Record have volunteered to chair the event. Watch for posters and sign-up sheets. Start gathering your goodies for the sale.

We want your input so the HOA can better serve our community. If you have questions and/or suggestions, please share them with the BOD. It would be helpful to write the suggestions down or come to a meeting. We still need volunteers to accomplish the tasks set before us as the HOA. Give a little time and energy to enliven our community.

ATTENTION RESIDENTS!

It's 2017 Spring Clean Up Time!

It's time for Spring Clean Up! All Residents are asked to make sure their Home Exterior meets Standards and has that *great curb appeal!* In an attempt to improve your investment March will be Spring Clean Up Month.

Things to Address:

Home Exterior – power washing and/or painting, spray bleach on mildew areas. The gutters and roofs need to be cleaned and free of weeds.

Carports and Screen Rooms - No large items, furniture or trash should be left outside of your home. The only storage shed allowed is the one attached to your home, others must be removed. Store all garden tools, trash cans etc. in your shed. Our goal is to have a neat and clean community and we do not allow outside storage.

Yards - need to be free of debris including yard waste, bulky items, trash, etc. Planting new grass seed as needed, weeding any landscaping, gardens, driveways etc., rake and edge lawns and gardens.

If you have any questions, please contact the community office during normal business hours.

Thank You For Taking Pride In Your Home
And In Your Community!

MOST Importantly

I would like to introduce to you my new team!

Cindy Livingston is a resident of the community and has been working as part time maintenance for over 2 ½ years. She has recently moved to full time in the office. It is a pleasure to have her calm demeanor and great smile welcoming both residents and guests.

Vern Lefler joins us as a full time maintenance person. His team spirit and vast experience will help keep us on track. Vern has traveled the world and worn many hats. He has a great sense of humor and willingness to help attitude.

Becky (Rebecca) Howell, a resident of our community, is our newest part time maintenance addition. You will see her assisting Vern with tasks and working hard to keep the area clean. She has been seen previously working with her husband John around the community.

Jean Dugas, the longest term employee and least seen, is our clubhouse and pool opener and closer on the weekends and holidays and closer every night for that area. Jean is also the person who helps us out in a pinch doing things like moving the pool furniture for storms etc. He is also a resident of our community.

Please welcome all and congratulate them on joining one of the best community's staff in Marion County!

New Hampshire represented their home state in style on February 11th with a pancake breakfast fit for seconds. Denis Dubuque, who sponsored this event, thought his New Hampshire event could be the first of what could be many other such events. Perhaps volunteers who either retired or snowbird from their mutual home states could do the same thing! Don't you think folks would love some chili dogs, Thurmanators or cheese conies that Ohio is famous for? How about some home-made apple butter or Brunswick Stew from Virginia. There are even residents here from Canada who could russle up some chow we never heard of or know anything about now that we're all in Florida! Get together with others from your mutual states and think about sponsoring perhaps a lunch or dinner event that, dollars to donuts, SOC residents would be anxious to attend.

The Saddle Oak Board was presented a plaque at January's HOA meeting from the Fairfield Village HOA. It was given to express appreciation for the hospitality extended to the Fairfield Village community. The FFV Clubhouse was undergoing renovation and their residents were invited to share ours for a few months. Seen here are, from left to right: Jim Neal, Ed Glenney, Judy Lott (our SOC Board President) and Keith Leady, members of the Fairfield Village HOA. The plaque is on display near the Library doors in our Clubhouse.

“WHERE ‘YA FROM?”

Reporter: Andrea Primas

SOC is a community of over 375 homes and over 500 residents. We hail from 34 states (68% of the USA), plus Washington, DC, Puerto Rico and 4 other countries as well. We’re snowbirds, and year-round birds. We bring our colloquialisms, regional foods, religious beliefs and values, talents, experiences, stories, families, friends and pets, and yes, our politics too.

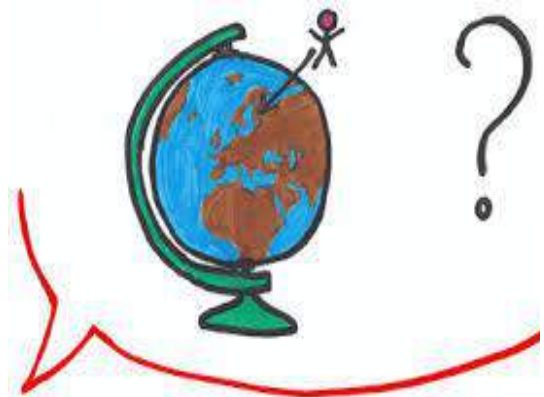

Who Are We?

REGION	NUMBER OF STATES	STATES AND COUNTRIES	NUMBER OF SOC RESIDENTS	PERCENTAGE

We want to devote a newsletter issue to each region. We welcome your ideas, suggestions and memories. Please email your comments to Andrea at andreaprimas1@gmail.com, or drop them off in my SOC mailbox. Since we love to eat, doesn’t a potluck featuring regional foods - like Maryland crab cakes, or New York cheese cake, or Louisiana gumbo, or Kringles from Wisconsin - sound yummy and tempting?

We certainly are a regionally diverse community!

BITS AND PIECES – MARCH 2017

The Saddle Oak Stitchers would like to thank everyone who attended our first - and hopefully not last - pot luck dinner and quilt show. We hope everyone enjoyed themselves and had plenty to eat. There are so many talented ladies here in SOC. Without such a venue to display some of our creations, no one would ever see some of the beautiful work we turn out. And it gives the residents yet another event to get together with friends and neighbors and maybe meet someone new. We would also like to give a big round of applause to our fearless quilting ring leader, Rita Cope, who orchestrated the show and the pot luck dinner. Thank you also to everyone who lent a helping hand and to our guys in the Kitchen: Mike Cope, Tom Leahy and Frank Miller.

- Trina Vertefeuille

BITS AND PIECES – PAGE 2 - MARCH 2017

Bob Smith reports that Patti was hospitalized for surgery and is now in rehab. Cards and prayers are welcome. Tony Pace, Len Ebright, Joan Ford and Wanda Dubuque are recovering at home from injuries.

Note to residents of Saddle Oak: If you, a family member or neighbor is injured, ill or hospitalized, the Sunshine Committee chairman should be notified so that we can obtain PERMISSION to post the information because of privacy and/or HIPAA laws. Call Judy Lott at 509-4576 to relay the information.

Recently there has been a buzz from quite a few residents about creating a **chorus group** which SOC has not had for almost three years now. Many of us still remember having had over twenty members who sang at various charity events or venues.

Singing during the holidays brings back memories for many of us, who still recall how much fun it really was. Therefore, a few of us have wondered if we could create a fresh group of interested residents. What may also be exciting is that others may enjoy playing a musical instrument or perhaps a keyboard, etc. And fellas, don't shy away; every chorus needs baritones! Call Phyllis Congdon at 352-291-4946 if you are interested or have any ideas.

It is with sadness that the Bereavement Committees informs SOC of the passing of Gloria Buckley on January 23rd. She lived at 5697 SW 58th Place (Lot 190). Services were held in Illinois. Our condolences go to her husband, Mike.

SADDLE OAK BOWLING - Scores for January and February

Our bowling league is halfway through the season, and all bowlers are striving to get to first place and inscribe their names on the SOC trophy. Check out these impressive scores that just might put them in contention!

John Deshayes – 201 game

Freddie Jackson – 211 game/518 series.

Here are some skillful split conversions:

Freddie Jackson – 1-2-4-7, another 1-3-8, a 1-2-7-8-9 and a 1-3-4-7. Very nice, right?!

Don Godwin showed off a 5-7 and 3-10 split, as did Eric Hoiaas with a 6-7-10

Jet Presley sported a 6-7, and Debbie Lennox knocked off a 6-7-8

Ginger Pace smoked a 3-10 and a 5-10 split.

Charlie Parkinson did it again with a 6-7-10, followed by Jim Otto crushing a 2-5-7!

Cathy Annett splintered a 4-5 split, and Al Carson knocked down a 2-9-10 split.

We would love seeing you in the cheering section. Come to the alley!
